Board of Surveys and Maps of the Federal Government, The, William Bowie..	207
BOWIE, WILLIAM, The Board of Surveys and Maps of the Federal Government	207
BOWMAN, ISAIAH, The Political Geography of the Mohammedan Region....	208
BROWN, ROBERT M., Changing Occupations in the United States.....	209
California Raisin Industry, The, Charles C. Colby.....	209
Cartography, The Contribution of Mathematicians and Astronomers to Scientific, Louis C. Karpinski.....	211
Cleveland, The Geography of, Helen M. Strong.....	217
Climate for Use in Economic Geography, A Classification of, Wellington D. Jones	211
Climate of the Great Plains as a Factor in Their Utilization, J. B. Kincer..	67
Coast Lines, The Uses of Mean Sea Level in Determining Stability of, G. T. Rude.....	215
COLBY, CHARLES C., The California Raisin Industry.....	209
Cotton, William G. Reed.....	215
Ecology, Geography as Human, Harlan H. Barrows.....	1
Ecuador, Petroleum Industry of, Nels A. Bengtson.....	207
Europe, Physiographic Divisions of, A. K. Lobeck.....	212
FENNEMAN, NEVIN M., The Work of the National Research Council.....	210
Geography, A Classification of Climate for Use in Economic, Wellington D. Jones	211
Geography as Human Ecology, Harlan H. Barrows.....	1
Geography, Influenza, an Example of Statistical, Ellsworth Huntington.....	210
Geography of Barbados, B. W. I., The Regional, O. D. Von Engeln.....	218
Geography of Cleveland, The, Helen M. Strong.....	217
Geography of the Mohammedan Region, The Political, Isaiah Bowman....	208
Geographic Study of Population Groups, The, M. Auroseau.....	207
Geographic Study, The Objectives of a, Carl O. Sauer.....	216
Geography, The Use of Airplane Photography in City, W. L. G. Joerg.....	211
GOODE, J. PAUL, The Evil Mercator.....	210

	Page
Great Plains, Climate of the, as a Factor in Their Utilization, J. B. Kincer	67
—, Natural Vegetation of the, H. L. Shantz.....	81
—, Soils of the, C. F. Marbut.....	41
Great Plains Region, Agriculture of the, O. E. Baker.....	109
Huntington, Ellsworth, Influenza, An Example of Statistical Geography.....	210
Influenza, An Example of Statistical Geography, Ellsworth Huntington.....	210
JOERG, W. L. G., The Use of Airplane Photography in City Geography.....	211
JOHNSON, DOUGLAS, Some Analogous Shorelines of Partially Submerged Triassic Lowlands	211
JONES, WELLINGTON D., A Classification of Climate for Use in Economic Geography	211
KARPINSKI, LOUIS C., The Contribution of Mathematicians and Astronomers to Scientific Cartography.....	211
KINCER, J. B., Climate of the Great Plains as a Factor in their Utilization..	67
Laws of Temperature, Stephen S. Visser.....	15
Laws of Wind and Moisture, The, Stephen S. Visser.....	169
LOBECK, A. K., Physiographic Divisions of Europe.....	212
McMURRY, K. C., The Economy of Electric Power in the Southern Appalachians	213
Map of North America, The Regional, J. Russell Smith.....	216
Map, The Temperature Region, A. E. Parkins.....	214
MARBUT, C. F., Soils of the Great Plains.....	41
Mean Sea Level in Determining the Stability of Coast Lines, The Uses of, G. T. Rude.....	215
Mohammedan Region, The Political Geography of the, Isaiah Bowman.....	208
Moisture, The Laws of Winds and, Stephen S. Visser.....	169
National Research Council, The Work of the, Nevin M. Fenneman.....	210
Natural Vegetation of the Great Plains, The, H. L. Shantz.....	81
North America, The Regional Map of, J. Russell Smith.....	216
Objectives of a Geographic Study, Carl O. Sauer.....	216
Occupations in the United States, Changing, Robert M. Brown.....	209
Pacific, Some Effects of the Tropical Cyclones of the, Stephen S. Visser.....	218
Parkins, A. E., The Temperature Region Map.....	214
Physiographic Divisions of Europe, A. K. Lobeck.....	212
Population Groups, The Geographic Study of, M. Aurosseau.....	207
Petroleum Industry of Ecuador, The Nels A. Bengtson.....	207
Raisin Industry, The Californian, Charles C. Colby.....	209
REED, WILLIAM G., Cotton.....	215
Regional Map of North America, The, J. Russell Smith.....	216
RUDE, G. T., The Uses of Mean Sea Level in Determining Stability of Coast Lines	215
SAUER, CARL O., Objectives of a Geographic Study.....	216
SENTSIUS, M. W., Recent Views on Soil Classification.....	216
SHANTZ, H. L., The Natural Vegetation of the Great Plains.....	81
Shorelines of Partially Submerged Triassic Lowlands, Some Analogous, Douglas Johnson	211
SMITH, J. RUSSELL, The Regional Map of North America.....	216
